

# BOOKLIST NOTES

- **Music Requirements:** If your child already has a music book and a recorder from 2024, you do not need to purchase new ones.
- **LOTE (Japanese):** If your child has a Japanese book from 2024, no replacement is necessary. Typically, students will only need one blue-lined exercise book for their primary school Japanese lessons. Occasionally, there may be extra costs for activities, such as cooking. We will inform parents about these costs as needed.
- **Targeting Mental Maths:** Year 4 – 6 the booklist will include a class level Targeting Mental Maths textbook. If your child needs a different level, the teacher will notify you in advance. When ordering, select the class level for the book and specify the required level in the notes section of your order. If ordering from a supplier other than Mackay Office Products Depo make sure that you get the text titled **Targeting Mental Maths**. A picture for each year-level book is below. Please, see the example below.

- **Macquarie School Dictionary 3rd Ed:** This dictionary can be used from Year 3 through Year 6.
- **Headphones:**
  - **Prep – Year 3:** Must have a single jack. Please label and send them in a snap-lock bag.
  - **Year 4 – 6:** Must include a microphone and have a USB connection. If your child's 3.5mm jack headphones have a microphone, you can buy an adapter to convert it to USB from Mackay Office Products Depo. Look under "items purchased prior year."
- **Library and Homework bags:** \$20.00 from the office or the school uniform shop.
  - **Prep to Year 4:** A red Northview School library bag is required.
  - **Prep, Year 1 & Year 2:** Also need a green library bag for homework. These bags can be reused each year.
- **Instrumental Music, Sporting Teams, Eisteddfod Performances, and Extended Learning:** Additional costs will apply for these activities, and you will receive invoices if your child participates.
- **2025 Resource Scheme:** In partnership with the P&C, we offer a Student Resource Scheme that covers:
  - Reading Eggs
  - Mathematics
  - Sound Waves Spelling
  - Photocopying (instead of purchasing texts)
  - In-class activities (e.g., Art, Science, Cooking)
- **Class Activity Scheme:** Additional information and invoices will be sent throughout the year for:
  - Swimming
  - School performances (e.g., Fun with Maths, Life Education)
  - Celebration Days
- **Valuables:** Children should avoid bringing valuable items (such as CD players, MP3 players, iPods, etc.), toys, or mobile phones to school.

## ADDITIONAL NOTES:

- **Booklist Consumables:** Items like glue, pencils, and crayons may need to be replaced during the year.
- **Labelling:** All books and materials should be covered and clearly labelled with your child's name and year level.
- **Books & Materials:** All items are requested now to take advantage of current special prices. These will be stored at school for later use.
- **Exercise Books:** Please choose good-quality exercise books with a high GSM to prevent paper from tearing. We recommend around 70GSM.
