From the Principal

Dear Parents and Community Members,

As we approach the end of term, we have several exciting events and important reminders to share with you.

Athletics Carnival Tomorrow!

We are eagerly anticipating our annual Athletics Carnival, which will be held tomorrow. The event promises to be a day filled with fun, friendly competition, and school spirit. A special thank you to Ms. Agnew for her exceptional work in balancing competition with fun, ensuring that every student has the opportunity to participate and enjoy the day.

The P&C have organized a sausage sizzle for lunch, but if you haven't already ordered sausages on FlexiSchools, please provide lunches for your children. Students need to be ready to start at 8:50 am at the back of the library. We look forward to seeing everyone there, cheering on our young athletes!

Supervision Before School

A gentle reminder: more and more children are arriving at school prior to the 8:15 am supervision start time. We are unable to provide supervision for students before this time. Unless your child comes to school on a bus, please ensure that they do not arrive before 8:15 am. We will need to start discussing before-school care arrangements, as we cannot have children on site prior to 8:15 am.

If you are one of our parents who accompany their children to school and wait till children go to their classes, I'd like to ask you to wait in the undercover area in front of the tuckshop rather than outside the classrooms. We have noticed an increasing number of students playing in the classroom areas without their parents present. This time before school is very busy and important for our teachers as they set up for the day, and they have had to step in to provide supervision, which disrupts their preparations. Your cooperation in waiting in the designated area will help ensure a smooth start to the day for both students and teachers. Thank you for your understanding and support.

End of Term Information

Next week marks our final week of this term. Please note that Thursday is a public holiday for Show Day, so there will be no school on that day.

On our last day of school, we invite all students to wear their pyjamas for a gold coin donation. This fun tradition not only supports a good cause but also adds a bit of excitement to the day. I will be running a disco during the day, so students can look forward to dancing and celebrating the end of the term together.

Thank you for your continued support and cooperation. We look forward to finishing the term on a high note and celebrating with our students.

Warm regards,
Jamie Feeney

New evidence-based guidelines for parents of young people with school attendance difficulties

A new set of evidence-based guidelines for parents of primary and secondary school students struggling to attend school due to anxiety, depression or emotional distress has been developed by researchers at Monash University and Deakin University.

Help Us Improve

1. Complete a short survey (approx. 3-5 mins) before downloading the guidelines.

2. Download the guidelines, 'Responding to School Reluctance or Refusal: Strategies for Parents'.

3. Complete a survey (approx. 5-10 mins) one month after downloading the guidelines.

What is involved?

The study involves two short, anonymous online surveys.

You will be asked to answer questions about parenting, your child's attendance and schooling, and general feedback for the guidelines

You are eligible to participate if:

- You are 18 years or older
- Can read and write English
- Have access to the Internet

Find out more:

Please follow the QR code or visit the link to access the guidelines or complete the survey:
