### From the Principal

#### Dear Northview Community,

It has been an exciting week here at Northview Primary, filled with milestones and achievements that highlight the wonderful spirit of our school community.

#### Celebrating 100 Days of School for Our Preps!

Today, our Prep students celebrated their first 100 days of schooling! This is a special milestone in their educational journey, marking 100 days of learning, growth, and discovery. The first 100 days are foundational, setting the stage for future success as our young learners develop essential skills in literacy, numeracy, and social interaction. Our Prep teachers organized fun and educational activities to commemorate the day, and it was heart-warming to see the joy and pride on the faces of our youngest students.

#### Northern Suburbs Athletics Day Success

On Tuesday, our students participated in the Northern Suburbs athletics day, and we are thrilled to announce that it was a great success! Congratulations to all the students who attended—you did us proud with your hard work, sportsmanship, and team spirit. We look forward to seeing how our competitors perform on Thursday and Friday next week. Go Northview!

#### Welcome, Mrs. Burnett!

We are delighted to welcome Mrs. Burnett to our teaching team. She will be taking over Year 5/6M and brings with her a wealth of experience, warmth, and enthusiasm. We are confident that she will be a wonderful addition to our school community, and we encourage everyone to give her a warm Northview welcome.

#### Farewell to Chappy Amy

It is with mixed emotions that we say goodbye to Chappy Amy, a valued member of our student support services team. Chappy Amy has accepted a promoted post at Mackay North State High after three years of dedicated service at Northview. Her compassionate support and tireless efforts have made a significant impact on our students and staff. We wish her all the best in her new role and thank her for everything she has done for our school.

Thank you all for your continued support and involvement in our school community. Together, we make Northview a wonderful place for our children to learn and grow.

Warm regards,

Jamie Feeney

Principal
