

Northview State School P&C Assoc. Introduces to our school tuckshop. . . .

Flexischools has been approved for trialling at our school via the NVSS P&C at a recent general meeting. We believe Flexischools will assist us in providing a more efficient and effective service and a convenience for parents and carers.

What is Flexischools?

Flexischools is a service where you order your child's tuckshop online via your computer in 4 easy steps. It's easy, convenient and cashless!

Step 1: Register

Go to flexischools.com.au from your computer, tablet or mobile phone. Login or register for an account and add your students to get started.

Step 2: Top-up

Top-up your account using VISA, Mastercard, PayPal or by direct deposit. Flexischools recommend topping up your account by \$20. Flexischools will email you a reminder when your account is running low.

Step 3: Order and Pay

Order your child's lunch from our menu for 1st and 2nd break.

Step 4: Review or Edit your orders

Your order is now shown on the first screen along with your students. You can view, change or cancel the orders at a later time, by logging in again. You can also create a repeating order out of an existing order, so you never need to remember tuckshop day again!

Cost for Parents

Top-up Fee - Credit Card: \$0.29

This also may depend on your financial institutions processing times and the time of day you process your transaction.
